WORK EXPERIENCE

Front-end Developer FEB 2023 – MAY 2023
SheCodes Max Bootcamp
- Completed a 3-month intensive course in web development with an emphasis on front-end technologies, including HTML, CSS, Javascript, and React
- Developed portfolio projects that demonstrated my understanding of key concepts.
- Improved my problem-solving and debugging skills.
- Gained an understanding of the software development process, frameworks, and best practices.
- Learned how to collaborate with other developers in a professional setting.

UI/UX Designer SEP 2020 - NOV 2021
Portfolio Piece - ACE (game concept for Electronic Arts)
- Created a volleyball-inspired sports game for Electronic Arts, applying design thinking and user-centred methodology.
- Generated ideas using design thinking tools such as brain dumping, crowd storming, journey mapping, and user flows.

Portfolio Piece - Etsy (website and mobile redesign)
- Redesigned Etsy's website and responsive view for the "find a product" user journey.
- Created motion studies to define motion language and interaction models.

UI/UX Designer JUN 2019 - NOV 2019
Freelance - First Presbyterian Church of New Westminster, BC, Canada
- Designed the First Presbyterian Church of New Westminster's new website.
- Defined website's information architecture based on market research and design meetings.
- Collaborated with developers to provide layouts and guidance for coding implementation.
- Defined visual identity and created a style guide to be used by the church's marketing team for internal and external communication.
- Facilitated design meetings, interviewing stakeholders, and members of the church to understand the necessities of the community.

OTHER EXPERIENCES

HR Recruiting Assistant APR 2019 - PRESENT
Alliance Maintenance, Vancouver, BC, Canada
- Responsible for recruiting candidates for multiple roles in the company.
- Create marketing material to be presented in job fairs and demonstrations to clients.
- Coordinate job posts, ads, and candidate applications.
- Update and maintain the calendar of interviews of all HR recruiting team.
